ii. Events with \$6000.00 and over added: BRC Inc. shall use the previous Year End Standings for the first (5) events that do not overlap in calendar date of the new season and fill the first 15 event spots using a top-down format based on which Member Contestants enter. 2. Competition:

a. Ride Specifics:

- vi. A contestant may request a ruling on whether the bull is properly flanked.
- vii. No bull tails will be allowed under the flank straps.
- viii. Absolutely zero horse flanks allowed. Rope pull flanks are acceptable and are required to not have a tail length exceeding 2.5 feet after being pulled tight. There are absolutely zero exceptions. \$200 fine first offence and every offence after. Not per performance, per animal.

in the bull rider being placed on a chute clock (Chute Clock = 30 Seconds) to leave the bucking chute before being at risk of being disqualified/turned out.

xii. No bull may be put in the draw until his horns have been dulled and reduced to the minimum diameter (size) of a "toonie".

xiii. Any of the following shall disqualify the contestant:

1. Being bucked off.
2. Touching bull, equipment, or person with free hand.
3. Using sharp spurs or wires on spurs which may injure bull.
4. Placing spurs or chaps under rope while it is being tightened.
5. Not having a bell on bull rope when bull leaves the chute.
6. When a contestant has been advised he is next to go, and he is not above the bull with his glove on when the previous bull leaves the arena.
7. Re-pulling bull rope after taking final wrap before obtaining clearance/permission from the Judge.
8. Intentionally leaving the chute with spurs hooked or lodged in bull rope.
9. Contestants taking too long in chute may be disqualified or fined at the discretion of the judges.

b. Scoring of Rides:

- i. The contestant and bull are to be marked separately. The contestant will be marked according to their control of the ride and degree of difficulty of the bull. Figures used in markings shall range from zero (0) to twenty-five (25) including ½ points per judge on both the contestant and bull. The total may reach no more than one hundred (100) points. All judges MUST have/use a working stopwatch.
- ii. Judges will submit to the event secretary, their markings for each ride for that performance immediately following the completion of the performance. In case of a clerical error only the judges may change their books. Such markings shall be termed official when posted and/or verified by the judges and may not be changed once submitted.
- iii. No judge may be replaced during an event unless injured or by decision of the BRC Inc. Board during an event.
- iv. Markings shall be totaled by both judges, verified by the event secretary, and posted after each performance.
- v. No contestant may compete on the same bull at the same event unless the contestant is offered a re-ride on that bull (he may choose to have same bull again).
- vi. Judges decisions are final, and judges have the authority to have interfering individuals removed or fined.
- vii. The delivery side judge shall be the official watch when there are two (2) judges at an event.
- viii. If there are three (3) judges present, the back judge will become the official clock. All three judges are required to time. In specific cases the third judge's watch may be used.

ix. In addition, where a back judge is used, the back judge shall be responsible for running the prevailing watch, making sure there are no hot shots, watching for fouls, intent to cheat and working with both contestants and contractors to keep the re-ride order straight.

x. Judges MUST **record all buck off times** and **mark all livestock** even in the event of an unqualified ride by the contestant.

xi. BRC Judges have the authority to remove any Contestant(s) from the event if the Judge(s) sees tangible evidence that a Contestant(s) is unfit to compete (i.e., impaired, concussed from a prior ride at this same event).

xii. Any Contestant(s) being removed from the event by the Judge(s) for impairment, will be immediately disqualified from the event. Thus, removing all points and money they may have won so far at said event, and may be subject to a Fine for Arena Conduct (see Section 2; Subsection g; viii).

xiii. Any Contestant(s) being removed from the event by the Judge(s) due to being concussed from a prior ride at this same event, will be a Medical Turnout. Thus, allowing them to keep all points and money they may have won so far at said event.

xiv. There will be no refund on entry fees in either instance noted above. Judge's decisions are final.

c. Re-rides:

i. If a re-ride is given by any official, the judges shall inform the contestant of his marking and an option of a re-ride. Contestant may refuse the re-ride and take his marking. Contestant must notify the judge immediately of his decision to accept or reject the option upon learning which bull would be used as a re-ride and the time of the re-ride.

ii. Re-rides will be given at the discretion of the judge. Reasons for possible re-rides include the following: if a bull stops or fouls the rider, stock contractors equipment fails, performance of the bull is inferior to the others. If in the case of leaving the chute the judge feels the rider had an unfair advantage.

iii. No re-ride will be given if the contestant's own equipment fails.

iv. No hotshot or prod will be used after rider has mounted bull.

v. If a contestant is granted a re-ride, he may take the same bull for the re-ride, provided the stock contractor is willing and a mutually agreeable time can be arranged. If a contestant chooses to accept the re-ride on the same bull, he must take the marking for the re-ride, unless there is a foul or the stock contractors equipment fails on the re-ride.

vi. If a drawn bull becomes sick or injured before it is competed on, a judge must pass on the bull's ability to be used. At that point, the first re-ride bull will be used.

vii. Re-ride bulls must be designated prior to an event starting with a minimum of three (3) for the long go and a minimum of one (1) for the short go.

viii. Turn-out bulls will be placed at the bottom of the re-ride list.

ix. If a re-ride bull is offered and turned down that bull is placed at the bottom of the re-ride list.

d. Bull Performance:

- i. Bulls will be reviewed by judges before the start of each event. If an animal is visibly unable to be showcased in the event: limping, torn brand, blood anywhere on hide or body, broken horn, or other visible injury at the discretion of an event judge, then the animal will be replaced with the first available re-ride.
- ii. Any animal that becomes sick or injured between the time it is inspected and the time to compete will be replaced with the first available re-ride.
- iii. Inferior bull performance in comparison to the other animals in the same event will result in a re-ride option for the contestant at the discretion of a judge and provided that the contestant had a qualified ride on that animal.
- iv. If contestant has made two (2) honest attempts to get out on a chute fighting animal, the judges may award a re-ride option immediately.
- v. If in the opinion of the judges a bull deliberately throws itself, the contestant shall have the choice of the same bull again or he may take the first re-ride.
- vi. A contestant being "rubbed" "knocked" or fouled at the chute or any other place within the arena, at the discretion of the judge, may be granted a re-ride.
- vii. If a bull falls in the discretion of the judge to hinder a ride or cause foul. The contestant must not be the reason or cause of the foul or fall.
- viii. If an animal stops, provided the contestant has qualified up to that point, a re-ride will be awarded. If bull stops, the contestant must remain qualified until the eight-seconds has elapsed (buzzer sounds) to be offered a re-ride. If the contestant is awarded a re-ride, the contestant may accept another animal, or the score given by the judges.
- ix. The BRC Inc. shall impose a "3-Strike" rule for all livestock used at any BRC Inc. event. This methodology is in place for the overall animal's performance at any BRC Inc. event: bull score, handling ability, loading ability, ability to vacate an arena, risk factor for jumping/injury. All bull scores/comments shall be submitted and accepted from judges, contestants and other stock contractors and considered by the BRC Inc. Board. All queries must be submitted in writing within one month of the event in question to be valid and considered.

e. Draw:

- i. The draws for events are completed by BRC Inc. Office
- ii. No bull may be bucked twice during the same performance except in the event of the need for a re-ride bull and all available bulls have been used.
- iii. With Double Entry spot(s), each 'entry' for the Contestant(s) who double entered, must fall a minimum of six (6) bulls between each ride, wherever possible.

f. Short Round:

- i. If there are not enough qualified rides in the long go, judges must use the recorded times for all contestants and bring back the contestants with the longest time; regardless of the animal/bull score or ability.
- ii. When a Contestant qualifies for the Short Round more than one time, they must attempt all Short Round bulls for which an actual Long Round Score was received,

OFFICIAL RULE BOOK

Bull Riders Canada Inc.

unless the Judge(s) declares a medical. In which case the Contestant must then submit a Dr note to the BRC Office within 5 Business Days of the event or be subject to a \$100.00 turnout fine.

iii. If there is a tie heading into the Short Round of one or more Contestants for the last spot (e.g. 6 Short Round spots and 3 Contestants are tied for 6th place in the LR), it will default to the Contestant Score. Considering all things are equal (e.g. Contestants all have the same mark) the names of all the Contestants involved in the tie will go into a hat and be drawn by the Judges (in front of those Contestants) to determine who gets the spot.

iv. Short Round places filled by a Contestant on time may be declined by such Contestant and offered to the next Contestant based on Long Round time.

v. There must be a minimum of one short round re-ride bull available.

g. Contestant Check-in/Responsibilities and Fines:

i. All event fees must be paid in cash only – in FULL BEFORE Contestants ride! No exceptions!

ii. Contestants must be checked in or have notified the secretary at least sixty (60) minutes prior to the event or his position will be filled off the alternate list. Alternates also need to check in with the event secretary. The completed event draw will not be available until the event has been filled.

iii. All turnouts must be done through the **BRC Office, NOT** the Event Secretary, Producer, Stock Contractor(s), etc.

iv. Contestants are allowed to turnout without a fine so long as the turnout occurs no later than one day following the close of entries. Entries close at 5:00PM on Monday evenings and contestants will have until 5:00PM the following day (Tuesday) to turnout without a fine. Proper notification of a turnout must be given to the BRC Inc. Office.

v. Contestants turning out following the 5:00PM Tuesday cutoff will be required to have 1) a doctor's note for verification if the turnout is a medical. A Doctor's note shall mean that the contestant does not have to pay a fine. However, that Doctor's note must be submitted to the BRC Inc. office within five (5) business days or regular fines will apply and the contestant will be responsible for paying a \$100.00 turn-out fine as well as their full event entry fees (if their spot is not filled). All contestants turning out on a doctor's release (medical) will be removed from any upcoming BRC events they are currently entered in and will be in-eligible to compete in another BRC event for ten (10) days from their turnout date. Or 2) if the turnout is not medical, the contestant is responsible for paying a \$100.00 turn-out fine as well as their full event entry fees (if their spot is not filled). Contestants with fines are ineligible to enter another BRC event until all fines are paid in full.

vi. Contestants turning out within four (4) hours of the event start time or contestants turning out **without contacting the BRC Inc. Office**, will be considered "un-notified" and be required to pay their full fees plus a \$200.00 turn-out fine. This includes medical turnouts. Contestants will be considered inactive until said fine is paid.

OFFICIAL RULE BOOK

Bull Riders Canada Inc.

- vii. This fine will DOUBLE with each offence during the season. For example, a first event is \$200 plus entry fees, second is \$400 plus entry fees, third \$800 plus entry fees and so on.
- viii. If a contestant is injured while mounting his drawn bull and is unable to nod due to the injury, he shall be reimbursed his entry fees, and the turnout will be considered a "Doctor's release."
- ix. If a Contestant turns out at an event after their first bull as a "medical", they cannot get on their second bull and the Contestant must **submit a Dr note within 5 business days** of the event, or the Contestant will be fined \$100 for the turnout.
- x. Fines for Arena Conduct: profanity, abusive behaviour, objectionable conduct, rude or offensive behaviour or any action (verbal or physical) that is deemed detrimental to the production of the BRC Inc. event and or objectionable to any spectator, committee member, BRC Inc. Board member or other BRC Inc. Member will result in a First Offense Fine of \$500.00. Second Offense Fine shall be \$1000.00, and the Third Offense Fine shall mean termination from the current year standings.

h. Contestant Re-entering:

- i. Contestants may request to double-enter at the time of entries. Once entries are completed, if the event has not filled, the BRC Office will go to the double entry list and draw names from there to fill the event. Each entry will be considered a separate contestant and fined as such in the event of a turnout. Meaning, if that one contestant turns out of the event and they also entered in a double entry spot, they will be fined for BOTH spots. However, once the contestant shows up to the event, they are now considered one person and if they turn out of one spot (due to injury, etc.), they will be turned out of the whole event. For example, if the contestant rides their first long round bull and then turns out of their second long round bull, they will be turned out of the entire event immediately and not allowed to ride in the short round.
- ii. If the event is not full the day of, Contestants may place their names on a re-entry list at the time they check in with the event secretary and pay their fees.
- iii. The event secretary must advise the BRC judges and stock contractors with at least 30-minutes advance notice. The judges shall then make the draw for re-entry positions not including re-ride bulls and ensure that the stock contractors are aware. At that time, the event draw can be distributed.
- iv. In the event that Contestants will not re-enter due to the bulls that are open in the draw, the judges shall then make the draw for re-entry positions based on the turn out bulls and the re-ride bulls. All the bulls are put together and drawn for re-entry contestants and then the remaining bulls put in order and used for re-rides at event. Finally, the Judges must ensure that the event secretary and event stock contractors are aware. At that time, the event draw can be distributed.
- v. Contestant fees for re-entry are the same as the fees for the event (\$125.00) and must be paid in cash in-FULL BEFORE the contestant rides.
- vi. If a contestant turns out a bull for any reason during an event, they are then removed from all other bulls in that event that they may be entered on or eligible for.
- vii. Re-entry granted to Members only first; permit members last if needed.
